

## Electronic legal transactions (EGVP)

Since December 1, 2005, you have been able to submit documents in electronic form to the Local Court of Bremen in all proceedings under the Code of Civil Procedure, the Code of Criminal Procedure and the Act on Matters of Non-Contentious Jurisdiction. The procedure developed for this has the abbreviation "EGVP" ( Electronic Court and Administrative Mailbox )

### Competent Department

- [Amtsgericht Bremen](#)

### Basic information

Further information on the legal, organizational and technical framework can be found on the following website

### Requirements

Certain hardware and software components are required to run the "Electronic Court and Administration Mailbox" software correctly. These operating conditions are specified at [www.egvp.de](http://www.egvp.de).
