Competent Department

- [Fahrerlaubnisse](#)
- [Bürgeramt](#)

Basic information

The application for driver's license renewal may be submitted 6 months prior to the expiration date of the driver's license to allow for timely processing. The processing time can be up to 6 weeks.

Requirements

Federally defined forms must be used for the required health certificates; these are available from physicians.

What documents do I need?

- Identity card or passport
- Driving licence
- Ophthalmologic certificate

You can have this report prepared by your ophthalmologist or by a company and occupational physician. An issued expert opinion/certificate is valid for two years.

- Specialist medical certificate of health

The certificate of an internist or general practitioner not older than 1 year.

- Passport photo

according to the photo sample board

- Important information about the photo booths in all offices of the Citizen's Office:
 - The machines are operated by outside companies and often do not work. It cannot be guaranteed that passport photos can be taken on site. We advise you to bring passport photos to the appointment.

Procedure

More information

In addition to the above documents, the exchange of the driver's license into the EURO driver's license is necessary if a corresponding application has not yet been made. We then also require a passport photo.
