

Purchase of a Euro-key for disabled toilets

Competent Department

- [Der Landesbehindertenbeauftragte Arne Frankenstein](#)

Basic information

The Euro key was introduced as early as 1986 by the Club Behinderter und ihrer Freunde in Darmstadt und Umgebung e. V. (club of disabled people and their friends in Darmstadt and the surrounding area). With its introduction, the club pursued the goal of providing physically impaired people with a standard key with which they could gain free access to toilets suitable for the disabled.

Facilities include highway and train station restrooms, as well as public restrooms, among others.

In 2017, there were approximately 12,000 disabled toilets in Europe.

Requirements

Presentation of a severely disabled person's ID card with one of the following symbols:

- aG sign
- sign B
- sign H
- Sign BI
- Sign G and a degree of disability of 70

Please note that the Euro key can only be issued to citizens of Bremen. Interested persons from the surrounding area of Bremen please go directly via CBF Darmstadt.

What documents do I need?

- Severely disabled pass
- in case of representation with written power of attorney

additionally: identity card or passport of the authorised representative

Procedure

You will receive the Euro key, upon presentation of your severely disabled ID, directly at the office of the State Disability Commissioner.

To avoid duplicate ways - we would like to ask you cordially, since we have only a certain number of keys in stock - to contact us in advance.

Citizens of Bremerhaven please contact the Office for People with Disabilities:
Barkhausenstraße 22, 27568 Bremerhaven, 0471 590-2454.

If you are unable to collect it in person, a person you trust - equipped with a power of attorney issued by you - can obtain it from us.

What are the costs?

26,90 EUR
