

Change of address on identity card/passport/ electronic residence permit

You have changed your registration and would now like to have the new address entered on your identity card/passport/electronic residence permit?

Competent Department

- [BürgerServiceCenter-Mitte](#)
- [BürgerServiceCenter-Nord](#)
- [BürgerServiceCenter-Stresemannstraße](#)
- [Bürgeramt](#)

Basic information

If you move house, you must have the address on your identity card/electronic residence permit or the place of residence on your passport updated. In the case of an identity card/electronic residence permit, the change of address is indicated by a sticker and the address is also changed on the ID chip. In the case of a passport, the change is made by hand and confirmed with a seal.

Requirements

You must already have registered or changed your registration with your local authority.

What documents do I need?

- identity card or passport or electronic residence permit

Procedure

In the event of deregistration abroad, the identity card authority will replace the address in the identity card and in the electronic storage and processing medium with the note "no residence in Germany".

Legal bases
