

Cancellation of one of several operated crafts or crafts-like trades

If you are registered with the Chamber of Crafts with several trades or trades similar to trades and individual of these commercial activities are not to be continued, you must apply for their deletion.

Competent Department

- [Handwerkskammer Bremen](#)

Basic information

If you are registered with several crafts or crafts-like trades in the Register of Crafts or in the Register of Owners of a Business of an Admission-Exempt Craft or a Craft-like Trade and you do not wish to continue individual of these commercial activities, you must apply for their deletion. The Chamber of Crafts with which your business is registered is responsible for receiving the application. You are entitled to file an application as the owner of the business, as a partner in the case of partnerships or as the legal representative in the case of corporations (e.g. managing director of a GmbH).

Requirements

- Existing registration with several crafts or crafts-like trades in the register of crafts or in the register of owners of a business of a craft or craft-like trade that is exempt from licensing.
- Individuals of these trades are not to be continued.

What documents do I need?

- Craft card

Original of the craft card.

Procedure

The deletion of a craft or a craft-like trade must be

- by the owner of the business,
- in the case of partnerships, by all partners, and

- in the case of legal entities, by the corporate bodies authorized to represent the entity (e.g. GmbH managing director).

be applied for.

Legal bases

- [§ 13 Absatz 1 und 2 Handwerksordnung \(HwO\)](#)

More information

There are no special notes or special features.

How long does it take to process

Your registration will be deleted immediately if the requirements for this are met.

The deletion cannot be made retroactively, so that it can take place at the earliest with the date of receipt of the request for deletion.
