

Änderung persönlicher Daten der Betriebsleitung der Handwerkskammer mitteilen

If the personal data of the management of a craft business registered in the Crafts Register changes, you must notify the relevant Chamber of Crafts.

Competent Department

- [Handwerkskammer Bremen](#)

Basic information

In addition to company-related data, data on company management is also stored in the register of skilled crafts. If the personal data (electronic contact data, address) of the company management changes, you must inform the responsible Chamber of Crafts.

Requirements

Relevant personal data of the registered management have changed.

What documents do I need?

- If applicable: proof of the data change

Procedure

Inform the Chamber of Crafts responsible for the company about the change in the personal data of the company management.

Legal bases

- [§ 16 Abs. 2 Handwerksordnung \(HwO\)](#)

More information

There are no hints and specifics.
