Basic information

Day care centers for children are the first educational institutions, they assume a great responsibility within the framework of education, care and upbringing of children. The daycare center is of central importance for early childhood education.

When establishing a new daycare facility for children or modifying an existing one, legal principles for the operation of daycare facilities for children must be observed in advance.

If you are interested, please contact the responsible office.

Requirements

It is recommended to contact the responsible office in advance regarding the requirements.

Procedure

Before submitting an application for an operating permit for a day care center for children, it is advisable to seek advice from the responsible office.
