

Online - E-Kennzeichen

Please note that you can also use our online service for the desired service. You will find the link under "Further information" - Online service".

Pure battery electric vehicles, externally rechargeable hybrid electric vehicles and fuel cell vehicles can receive an e-license plate upon application.

Competent Department

- [BürgerServiceCenter-Stresemannstraße](#)
- [BürgerServiceCenter-Nord](#)
- [BürgerServiceCenter-Mitte](#)

Basic information

The application can be submitted as part of the online registration within the registration or transfer within the I-Kfz stage 4.

If it is not possible for the registration authority to clearly assign the vehicle, an expert opinion from a testing organization or a manufacturer's certificate must be submitted as suitable proof.

Externally chargeable hybrid vehicles may have carbon dioxide emissions of no more than 50g/km and must have a minimum range with purely electric drive of 30 km (40 km from 01.01.2018).

Since 01.10.2017, the E license plate can also be assigned as a seasonal license plate.

What documents do I need?

- For vehicles already registered:
 - Registration Certificate Part I
 - Registration Certificate Part II
 - EC Certificate of Conformity (CoC)
 - License plates
- in case of representation with written power of attorney
 - Additionally: identity card or passport of the authorized person
- if registered to companies

additionally:

- Current and valid business registration and, if available, current and valid excerpt from the commercial register (also as a copy)
- Power of attorney, if the person authorized to dispose does not personally submit the application on site
- Vehicle is to be registered with E-plates or transferred to Bremen:
 - EC certificate of conformity (COC)

Please refer to the corresponding service descriptions for the further documents required for admission or transfer.

- valid identity card, passport or electronic residence permit (eAT) as well as the original national passport of the applicant vehicle owner

Procedure

An application for registration must be submitted to the registration authority. The application can also be submitted by a representative (e.g. car dealer) with a written power of attorney.

Appointments can be made to avoid long waiting times:

-> for Bremen-Mitte: by telephone on (0421) 361-88671

-> for Bremen-Nord: by telephone on (0421) 361-88644

Customers without an appointment are served in parallel, with priority given to customers with an appointment. Commercial registration requests will continue to be accepted without an appointment.

Reserve a license plate:

If you would like to have a preferred license plate, you must do so via the link to "Internet-based vehicle registration". You will find the link under "Further information" - Online service" - "Online vehicle registration - i-Kfz". This is the only way to generate the required PIN.

Legal bases

- [Gebührenordnung für Maßnahmen im Straßenverkehr \(GebOSt\)](#)
- [Elektromobilitätsgesetz - EmoG](#)
- [§ 11 Fahrzeug-Zulassungsverordnung \(FZV\)](#)

What are the costs?

27,00 EUR Vehicle is already registered in Bremen;
occasion-related increase possible

If the vehicle is to be registered with an E license plate or transferred to Bremen, no additional fees are due. Please refer to the respective service descriptions for the costs of registration or transfer.
