

Application for a classification criterion for the purpose of registration in the ElsterOnline portal

Competent Department

- [Finanzamt Neubrandenburg - RAB](#)

Basic information

A certificate is required for electronic authentication. This must be acquired in the course of registration on the ElsterOnline portal or, in the case of selected signature cards, must be registered on the ElsterOnline portal. A domestic classification criterion (tax number) is absolutely essential for registration on the ElsterOnline portal.

Representatives working abroad on behalf of domestic taxpayers (e.g. foreign tax consultants) and domestic authorities who do not have a domestic tax number can apply for this classification criterion in the form of a tax number from the Neubrandenburg Tax Office (RAB).

Requirements

- The tax office Neubrandenburg is responsible for:
- Representatives working abroad (e.g. foreign tax consultants) who wish to transmit authenticated data for domestic taxpayers but do not have a domestic order criterion.

2. domestic authorities that wish to transmit authenticated data but do not have a domestic classification criterion.

Procedure

You fill out the following application and send it to the tax office Neubrandenburg - RAB.

Application for the issue of a classification criterion (tax number) for the purpose of registration in the ElsterOnline portal

The tax office Neubrandenburg - RAB will then inform you by letter of the classification criterion (tax number). You can then use this to register for an organisation certificate in the ElsterOnline portal.

More information

The order criterion is used exclusively to carry out registration on the ElsterOnline portal. Data transfers must always be made to the tax number of the taxpayer. No tax or duty-based checks are carried out when the classification criterion is assigned. Please clarify these with the tax office responsible for tax.

The tax office Neubrandenburg -RAB is located in the federal state of Mecklenburg-Vorpommern. Therefore, when registering with the ElsterOnline portal, you should select Mecklenburg-Western Pomerania as the state.

How long does it take to process

The applications will be processed promptly.

What are the costs?

There are no fees or costs for the award of the classification criterion.
