

## Report rat

You have discovered a rat in your garden, on the street, in a public park, a restaurant, a canteen kitchen, a bakery or a grocery store?

### Competent Department

- [Gesundheitsamt Bremen](#)

### Basic information

There is no reporting requirement for rats.

Private pest controllers can be called in for vermin on private property (e.g. garden, house, apartment).

If you have vermin on public ground (e.g. park, street) contact the public health department  
Tel. 361- 15551 or send an email to

[ortshygiene@gesundheitsamt.bremen.de](mailto:ortshygiene@gesundheitsamt.bremen.de)

The Food Inspection, Animal Welfare and Veterinary Service monitors compliance with the hygiene requirements for the commercial production, handling and marketing of food and must therefore be involved in the event of rat infestation in the relevant establishments (e.g. restaurants, canteen kitchens, bakeries, food shops).
