

Publication of the German Poverty and Wealth Reports

The Poverty and Wealth Report Germany is an inventory of the social situation in Germany. Here you will find all relevant information.

In the Free Hanseatic City of Bremen, too, a poverty and wealth report is published regularly by the Senator for Social Affairs, Children, Youth and Women.

Competent Department

- [Bundesministerium für Arbeit und Soziales](#)

Basic information

The Poverty and Wealth Report takes stock of the social situation in Germany. The aim of the report is to present the poverty situation in Germany and to identify political options for action. The Poverty and Wealth Report Germany is published regularly. The reporting period of the current, 4th Poverty and Wealth Report covers the period from 2007 to 2011 and in individual cases, depending on the available data, goes up to 2012.

The Free Hanseatic City of Bremen also regularly publishes a poverty and wealth report.
