Basic information

As the injured party, you will receive monthly compensation payments. However, instead of these monthly compensation payments, you can also apply for a settlement. The application for compensation must be submitted within one year of the compensation payment being approved.

You can receive the settlement from a degree of injury of 30. It is paid for 5 years and amounts to 60 times the monthly compensation payment.

Monthly compensation payments already made must be offset against the settlement. Payment of the severance payment settles the claims to the monthly compensation payments for a period of 5 years.

Requirements

- You were granted the monthly compensation payments less than a year ago.
- The application must be submitted to the competent institution at your place of residence.
 - Exception: In the case of vaccination damage, responsibility depends on the place of vaccination.

Procedure

When you apply for compensation, the social compensation law institution will check whether and to what extent you are entitled to compensation instead of a monthly compensation payment for injured parties. You will receive a notification of the decision and, if applicable, information on the benefits granted as well as other necessary evidence.

You can apply for social compensation benefits in writing.

- If necessary, you can make an appointment with your contact person at the pension authority or at your responsible office.
- You will receive a notice of approval for the application for compensation. If the entitlement is not established, you will receive a rejection notice.
