

Registering a new motor vehicle (without changing the holder and taking the number plate with you)

Due to nationwide regulations, the online portal for digital vehicle registrations (iKfz) had to be deactivated on January 1, 2024. The vehicle registration office does not currently offer online services. Work is currently underway to resume digital services. In the meantime, the analog services of the vehicle registration office are available to you. We apologize for the inconvenience.

If you move house or relocate your business to Bremen, for example, you will need to re-register your vehicle.

It is possible to keep the registration number of the previous registration district.
