

Schrottfahrräder melden

Have you spotted a scrap bicycle on public property?

Bicycles are considered scrap bicycles and therefore waste if they are obviously no longer roadworthy.

Competent Department

- [Die Bremer Stadtreinigung](#)

Basic information

Report to Bremer Stadtreinigung on 0421 361-3611 or by e-mail to info@dbb.bremen.de. Bremer Stadtreinigung inspects the reported bicycles and checks whether they are classified as waste. A banderole is attached to the bicycles with a request to remove the bicycles within 4 weeks. Otherwise they will be sent for recycling.

Requirements

The bicycles must be on public property.

Procedure

Report to Bremer Stadtreinigung on 0421 361-3611 or by e-mail to info@dbb.bremen.de. Bremer Stadtreinigung inspects the reported bicycles and checks whether they are classified as waste. A banderole is attached to the bicycles with a request to remove the bicycles within 4 weeks. Otherwise they will be sent for recycling.

More information

Bicycles in good working order, even if they look dirty and have been in the same place for a long time, are not considered scrap bicycles, regardless of their apparent condition.

The registered scrap bikes are removed after the deadline and reported to the police. In the event that a bike is reported stolen, the owner will be informed by the police.

What deadlines must be paid attention to?

4 weeks From the time of marking with banderole: approx. 4 weeks.

How long does it take to process

Variable

What are the costs?

gebührenfrei
