Basic information

To do this, you need a special permit that allows you to drive on the Bremen dikes that are necessary for you. These journeys are only approved for the shortest route, i.e. from your main residence to your destination.

Requirements

You will only receive an annual permit

- for visiting relatives (parents, children and siblings only)
- for the maintenance of a plot of land
- for the purpose of keeping horses
- Other ? - please state your reason

Residents may drive on the dikes and paths without a special permit. In the event of an inspection, presentation of a valid identity card is sufficient.

The dykes are generally open to delivery traffic - except for the Hodenberg dyke. The vehicle registration document and delivery bill must be presented during an inspection.

In the case of weight-restricted dykes, a special permit for weight-restricted roads must be applied for if the permissible total weight is exceeded.

Guests of the inns located on the roads and paths mentioned, acquaintances, friends of residents / neighbors do not receive an exemption permit. However, you can obtain day passes for driving on the dykes from the police stations in Horn, Oberneuland, Borgfeld, Schwachhausen and Findorff.

An extension of the permit for horse farm visitors is only issued for one year.

What documents do I need?

- Real estate tax assessment (most recent)

The last property tax assessment from the tax office (at least from 2016) is valid in the Service Center Construction as proof of ownership for you as the owner of an apartment or house

- Receipts
- Justification of the application with relevant evidence
- if you submit contracts etc. of an older date, you must in any case submit up-to-date evidence confirming the validity of the contract
- Motor vehicle registration certificate
- Proof of lease - payment e.g. by current bank statement

Procedure

Application by online form

More information

The extract from the land register or the property tax assessment notice is required so that the applicant can provide proof of ownership. This does not apply to the residents of the dyke roads, but mainly to farmers who have land, meadows etc. there but do not live there. Or horse owners who have bought a meadow on the dyke and have stabled their horse there, etc.

The extract from the land register is required because land (meadows, etc.) is not listed individually in the property tax assessment notice, but this proof is absolutely essential for checking the application to drive on dyke roads and paths.

What deadlines must be paid attention to?

Should be requested 2 weeks in advance

How long does it take to process

Please note that the processing time for exemptions and resident parking applications is currently two to three weeks.

What are the costs?

Day tickets (valid for 2 days for a fee of 1,00 Euro or 14-day tickets for a fee of 2,50 Euro)
