Basic information

Appointments at the Migration Office are usually allocated in such a way that your residence title, residence permit or toleration is extended before expiry. For this we assign appointments.

If you have received an appointment at the Migration Office that you cannot keep, please do not simply come to us without an appointment, but send an e-mail to your specialist department as soon as possible. You will find the e-mail address in your appointment letter or you can send an e-mail to <mailto:office@migrationsamt.bremen.de> and ask for another appointment.

Procedure

Please send us an e-mail if you have received an appointment from the Migration Office that you cannot attend to <mailto:office@migrationsamt.bremen.de> and ask for another appointment.

Please name us in the e-mail

- Your name,
- Your date of birth,
- Your residential address
- your contact details

and what you want and whether you need an appointment just for yourself or also for your spouse and/or children.

You will then receive an answer with a new appointment in the next few days.

Please do not come to us without an appointment, as we will no longer serve customers without an appointment.

What are the costs?

For a new / different date you will not incur any costs with us. However, we cannot ensure that we can process your request as promptly as necessary if you are unable to attend the appointment we have sent you.
