

Dispose of bulky waste

You have furnishings (furniture, etc.) that do not fit into the residual waste garbage can or the Bremen garbage bag because of their size? Then you can order a bulky waste collection or deliver the bulky waste to a recycling station.

Competent Department

- [Die Bremer Stadtreinigung](#)

Basic information

The Bremer Stadtreinigung (DBS) offers all private households the opportunity to have bulky waste collected free of charge once a calendar year. This service is included in the waste fee. Further collections are possible for a fee of 71.00 euros per collection.

Each household must place a separate order. If you want to use the collection service together with your neighbor, each party must place a separate order.

We will collect your bulky waste:

Order your bulky waste collection easily and conveniently online: <https://www.die-bremer-stadtreinigung.de/sperrmuell-bestellen>. You can also request bulky waste collection by phone at 0421 361-3611.

The collection will take place no later than four weeks after receipt of the order. You will be notified of the collection date by mail prior to the collection.

Please note when placing your order:

- Only a maximum of 5 m³ of bulky waste may be provided per collection, and the items may not be longer than 2 meters.

Self-delivery:

You can also deliver the bulky waste yourself to our recycling stations Blockland (in larger quantities), Burglesum, Blumenthal, Borgfeld, Hastedt (formerly Hulsberg), Hohentor, Kirchhuchting (each up to 2 m³). Only residents of Bremen are allowed to make deliveries.

Requirements

Private household connected to the municipal waste disposal system in Bremen.

Procedure

A bulky waste collection can be ordered online or by telephone at: <https://www.die-bremer-stadtreinigung.de/sperrmuell-bestellen> or 0421 361-3611.

After receiving his order, the customer will receive an order confirmation with the collection date and important instructions on the procedure by mail.

The bulky waste must be made available in good time. On the day before from 18:00 and on the day of collection at the latest by 06:00.

The maximum provision quantity per order is 5 cubic meters and the items should not exceed a length of 2 meters.

Tip:

Is it still usable? Not everything is waste that is no longer needed. Here you can find regional initiatives that accept well-preserved furnishings: gebraucht-und-gut.de.

What deadlines must be paid attention to?

The collection takes place at the latest 4 weeks after receipt of the application by the waste disposal company.

What are the costs?

One collection per calendar year is already included in the waste fee. From the second bulky waste collection per calendar year, fees of 71,- Euro per collection will be charged. The basis for the calculation of a chargeable collection is the date of the order. Self-delivery for private households is free of charge.
