

# Auszug aus der Liegenschaftskarte beantragen

You need the representation of a parcel or a plot of land?

## Competent Department

- [Landesamt GeoInformation Bremen](#)

## Basic information

The real estate map, also known as the cadastral map in Bremen, is part of the real estate cadastre.

It contains the graphic representations

- the parcels with boundaries
- the buildings
- the types of use
- and topographic features.

## Requirements

none

## Procedure

1. Online processing or order by e-mail, fax, online order or personal appearance by prior appointment.
2. Data delivery by e-mail, via FTP server (e-mail with download link), by mail or by pick-up. Depending on the data sensitivity, different security levels are included in the delivery.
3. You will receive the corresponding cost notification by mail.

## Legal bases

- [Gesetz über die Landesvermessung und das Liegenschaftskataster \(Vermessungs- und Katastergesetz\)](#)
- [Kostenverordnung für das amtliche Vermessungswesen und die Gutachterausschüsse für Grundstückswerte nach dem Baugesetzbuch \(VermWertKostV\)](#)

## **More information**

- The real estate cadastre meets the requirements of legal transactions, administration and business as a basic information system.
- The real estate cadastre serves as an official register in the sense of the land register regulations.
- The real estate cadastre consists of the cadastral survey work (Risse), the cadastral maps (Liegenschaftskarten) and the cadastral book work (Liegenschaftsbuch) and is jointly maintained in the Official Real Estate Cadastre Information System (ALKIS).
- For more information, visit <https://geo.bremen.de/produkte-1467> .

## **How long does it take to process**

1 to 5 working days - in case of personal appearance after prior appointment: immediate delivery

## **What are the costs?**

25,00 EUR per extract up to DIN A3 format

60,00 EUR per extract larger than DIN A3 up to and including DIN A0

## **Frequently asked Questions**

- **How can I apply for the move-out?**

By fax, e-mail or online at [www.geo.bremen.de](http://www.geo.bremen.de) or by prior appointment .

Unfortunately, it is not possible to accept orders/applications by telephone.
