Basic information

Parking is permitted in some residential areas at certain times or even always only with a special permit, the resident parking permit. The resident parking permit does not guarantee a (fixed) parking space.

Parking spaces for disabled persons are excluded from the residents' parking regulations.

Requirements

- Residence in the resident park area
- Owner or authorised user of the specified vehicle
- not owner of a garage or other parking space in reasonable proximity
- only one special parking permit per resident

What documents do I need?

- For secondary residence: copy of the registration certificate
- Copy of the vehicle registration document
- Confirmation of use of the vehicle owner, if applicable
- Rental contract for the vehicle, if applicable

Procedure

An application may

- be submitted by online form (see right column "Online processing")
- in writing by post (application under Forms)
- or be presented in person at the ASV with appropriate proof.

Instructions for completing the online application: Once the online application has been received, an acknowledgement of receipt will be sent. If you are unable to send us the required proofs as file attachments, you are welcome to send them by post or fax (04 21 / 496 - 69 45). Please make sure that all your documents (number) can be clearly allocated to your application. If your documents have not reached us within 14 days after

submission, we will consider your application to be invalid. In this case you will not receive any further notification from us.

The identity card will be sent to the applicant by post.
