## Basic information

- For construction projects requiring approval, you need a currently valid urban land-use plan as a building permit.
- The urban land-use plan provides information on whether a property can be built on and in what way.

- An urban land-use plan is binding. Among other things, it specifies the type and extent of possible building use, the construction method, the buildable and non-buildable property areas.
- The urban land-use plan consists of the plan and the textual and graphic stipulations.
- Excerpts from the urban land-use plan can be submitted in print or digitally for a fee. They can be viewed and printed free of charge on the Internet.

## **Procedure**

Request in writing/by e-mail from the plan service of the Service Center Construction

## **Legal bases**

- [Baugesetzbuch \(BauGB\)](#)

## **How long does it take to process**

3 days for inquiries by mail or e-mail. In case of personal appearance immediately at the Service Center Construction.

## **What are the costs?**

17,00 EUR for an excerpt in DIN A 4 as a PDF or printout; for larger excerpts or entire urban land use plans, the price is based on the actual size.
