Basic information

The public order service patrols Bremen's green spaces and controls the leashing of (dangerous) dogs, the (illegal) disposal of waste, barbecuing in designated areas and the breaking off of branches from trees as well as the cutting of hedges, bushes and other woods, which has not been commissioned by the City of Bremen.

Requirements

What is allowed in green areas or what has to be observed can be found, for example, in the descriptions of dog keeping or barbecuing in public.

Procedure

The employees of the public order service instruct, issue warnings free of charge or for a fee, report administrative offences and take measures for general prevention of danger.

The public order service can levy a cash fine directly on site or report an administrative offence. In this case you will receive mail from the fine office.
