Basic information

The public order service checks that the requirements for playing street music are met.

Requirements

Street music is allowed if the performance location is changed after 30 minutes. The new performance location must then be at least 100 metres away from the previous location.

No amplification system may be used.

A permit for playing in public is not required.

Procedure

The employees of the public order service instruct, issue warnings free of charge or for a fee, report administrative offences and take measures for general prevention of danger.

The public order service can levy a cash fine directly on site or report an administrative offence. In this case you will receive mail from the fine office.
